Dear friends and relatives of the Estonian Community

I have enclosed a flyer for a performance at the Estonian Hall which really is a unique event in the history of the Adelaide Estonian community.

This band has previously travelled extensively and has won numerous awards in Estonia and Europe. The trip here to Australia has been sponsored by the Estonian Government and the Adelaide Police Tattoo, so they are not seeking support by us the local Estonians.

One of the members of the band is a friend of mine and on a recent trip to Estonia I have encouraged him to get the band to do a one of performance at the Estonian House. This would support the Hall and also give the local community an opportunity to see the band. The Adelaide Estonian Women's Association and the Adelaide Eesti Selts has kindly helped coordinate this event.

Details of their visit to Adelaide can be seen on the following web site.

It would be great to see you there at this one off unique event.

Yours sincerely
